

# Waltham Fields Community Farm Member Interest Survey

As a member of Waltham Fields, we will keep you posted about many opportunities to get involved with our programs (Hunger Relief, Children's Learning Garden, Service Learning, Outreach). We will also provide updates about other local farm and food happenings. Our Farm Friends Newsletter will be the main way for you to learn about how to plug in. Throughout the year, we also reach out in more targeted ways to fill critical volunteer roles. This survey helps us know which members to contact. Don't feel that you have to be an expert, or that you have to respond affirmatively when we ask.

**Please take a minute to let us know how you might like to get involved. Thank you so much.**
